

I am against sinclair Broadcasting's forcing an airing of an anti-Kerry film days before the election.

Public airwaves are free of charge, and misuse is not in the best interest of the public. When large companies control the airwaves, we are being spoon fed what has been produced far away from our communities by companies whose only interest is their own.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
